## Call for Posters

The 13<sup>th</sup> International Conference on Software, Telecommunications and Computer Networks (*SoftCOM 2005*), technically co-sponsored by the IEEE Communication Society (ComSoc), will be held September 15-17 in Split, Croatia. Split town is a golden spot on the Croatian Adriatic coast, the starting point for the most beautiful touristic destinations such as Trogir, a two millennia town monument under protection of UNESCO, Solin town with ancient Salona, the Kornati archipelago National Park with hundreds small islands – unique and luxurious in its beauty, the Krka river and Skradinski buk National Park, islands Brac, Hvar and Vis famous touristic destinations etc. Split town is the business, political and university regional center, an 1700 year old town with Diocletian Palace monument. One of the most interesting social event this year will be sailing from the Conference site to the Split harbor with guided tour of the 1700 old Diocletian Palace and attending the special program for SoftCOM participants.

SoftCOM 2004 will feature Posters session for presenting the ongoing work. Posters session will provide a valuable opportunity for presenters to obtain a feedback on their work in progress from conference participants and experts in the field. Posters will be selected from submitted extended abstracts. Extended abstracts should be prepared in compliance with the instructions that can be found on <http://www.fesb.hr/softcom>.

One page extended abstract should identify the contribution of the presented work. It should describe the problem being addressed, the importance of this problem and the proposed approach to solve this problem.

Authors are invited to submit their extended abstract through the EDAS website at <http://www.fesb.hr/softcom>
